REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Sauer Dazey Investment Company

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Sauer Dazey Investment Company (SDIC) as of March 31, 2019, the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of Sauer Dazey Investment Company as of March 31, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Sauer Dazey Investment Company's management. Our responsibility is to express an opinion on SDIC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Sauer Dazey Investment Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Auditor's Report on Supplemental Information

The Computation of Net Capital under SEC Rule 15c3-1 and the *Entity Exemption Report* have been subjected to audit procedures performed in conjunction with the audit of SDIC's financial statements. The supplemental information is the responsibility of Sauer Dazey Investment Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental

information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Computation of Net Capital under SEC Rule 15c3-1 and the *Entity Exemption Report* are fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to the Financial Statements
For the Fiscal Year Ended March 31, 2019

Summary of Significant Accounting Policies

Basis of Presentation – Sauer, Dazey Investment Company (the Company) is a wholly owned subsidiary of Orion Investment Company (Orion), which is a registered investment advisor. The Company is a registered securities broker/dealer and is a member of the Financial Industry Regulatory Authority. The Company clears all customer transactions through another broker/dealer on a fully disclosed basis. The Company does not hold funds or securities for, or owe money or securities to, customers and does not otherwise carry customer accounts. Accordingly, the Company is exempt from Securities and Exchange Commission Rule 15c3-3.

Cash and Cash Equivalents – The Company considers all short-term investments with an original maturity of three months or less to be cash equivalents.

Revenue Recognition – Commission revenues and expenses related to security transactions, which are cleared through another broker/dealer, are recorded on a settlement date basis. Reporting such transactions on a trade date basis would not result in any material differences to the financial statements.

Income Taxes – The Company and Orion Investment Company file consolidated federal and Missouri income tax returns. If the Company had filed its own separate income tax returns, the income tax liability would be approximately \$32,856.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

I. Concentration of Credit Risk

Sauer, Dazey Investment Company is located in Saint Louis, Missouri. Most of its clients are individuals who reside in the Saint Louis metropolitan area.

The Company maintains an account with Bank of America and two bank deposit program accounts with RBC Correspondent Services (RBC), a securities broker/dealer. Bank of America provides \$250,000 of deposit insurance through the Federal Deposit Insurance Corporation. The RBC Bank deposit program provides \$5,000,000 of coverage through Federal Deposit Insurance Corporation. RBC has also purchased additional coverage for the entire net asset value of each account. There were no amounts in excess of insured limits at either account on March 31, 2019.

Sauer, Dazey Investment Company
Notes to the Financial Statements
For the Fiscal Year Ended March 31, 2019

II. Net Capital Requirements

Sauer, Dazey Investment Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule, which requires the maintenance of minimum net capital of \$50,000 and that the ratio of aggregate indebtedness to net capital, both as defined, not exceed 10 to 1. The rule also provides that equity capital may not be withdrawn, or cash dividends paid, if the Company's resulting net capital is less than \$50,000, or its ratio of aggregate indebtedness to net capital exceeds 10 to 1. The Company's net capital and the required minimum net capital were \$227,024 and \$50,000 respectively at March 31, 2019, resulting in net capital of \$177,024 in excess of the minimum requirement.

III. Related Party Transactions

The Company entered into an agreement regarding the allocation of operating expenses with Orion, whereby payments are made to Orion on a monthly basis to compensate for salaries of officers and employees, occupancy, and equipment expenses. Operating expenses were \$83,824 for the fiscal year ended March 31, 2019.

IV. Income Taxes

The Company files its federal tax return as a member of a consolidated group and records its share of the consolidated federal tax liability on a separate return basis. The Company's income tax expense for the year ended March 31, 2019, consists of the following:

Provision for Federal Income Tax	\$25,320
Provision for State Income Tax	\$ 7,536
Total Provision for Income Tax	\$32,856

The provision for federal and state income taxes was calculated using the statutory rates of 21% and 6.25%, respectively.

The Company remits amounts currently payable to its parent, Orion Investment Company, Inc. The accrued tax expense was remitted to Orion before year end so no balance remains on the balance sheet.

V. Disclosure of Subsequent Events

In accordance with ASC 855, the Company evaluated subsequent events through May 17, 2019, the date these financial statements were issued. There were no material subsequent events that required recognition or additional disclosure in these financial statement.

Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholders
of Sauer, Dazey Investment Company

We have reviewed management's statements, included in the accompanying Sauer, Dazey Investment Company's Exemption Report, in which (1) Sauer, Dazey Investment Company identified the following provision of 17 C.F.R. §15c3-3(k) under which Sauer, Dazey Investment Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) Sauer, Dazey Investment Company stated that Sauer, Dazey Investment Company met the identified exemption provisions throughout the most recent fiscal year without exception. Sauer, Dazey Investment Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Sauer, Dazey Investment Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
